

REMARKS

This response is submitted in answer to the Examiner's Action mailed December 7, 2004. This response is submitted to amend claim 31 to correct a typographical error and to amend a reference number mistake in Figure 7B.

Claim 31 has been amended to correct a typographical error. Claim 31, prior to this amendment, depended on itself. Claim 31 has been amended to depend on claim 30.

A proposed amendment to the drawings is filed herewith to correct a reference number mistake in Figure 7B. A reference number "752" has been changed to "756" in order to be consistent with the description in the specification.

This amendment is appropriate for entry because it merely removes issues for appeal.
